8 June 2017

Dear member,

Season 2017-18 Membership

It may seem a long way off to the start of the next table tennis season, after all it is not too long since we concluded season 2016-17. However, planning starts now for the new season and our teams all have to be nominated to the various leagues during the next few weeks.

Therefore, if it is your wish to represent the Club in **any** (local, national, British) league in the forthcoming season now is the time to act. Even though the Club's membership year does not start until 1 September, I need to have your membership form by 10 July at the latest.

The Club operates in a number of leagues:

The **Maidenhead League**, played in teams of three on weekday evenings on a home and away basis, is the core local competitive offering. The Club will enter as many teams as it has players for, no restrictions. All standards are catered for and there is no need to feel that you are not up to competitive standard. These are participation competitions and all are welcome. The Club would especially welcome new players to make up teams in the lower divisions of the league. It costs £18 (reduced to £9 for concessions, i.e. full-time students and those aged 60 and over) to register in addition to your annual membership fee. In addition, you need to be a Table Tennis England Player Member for which you can register via Table Tennis England's website, www.tabletennisengland.co.uk and the fee is expected to be £14 (reduced to £7 for juniors born in 2000 or later). There are match fees of £4 (£2 for concessions) payable each time you play (home and away). Please speak to Elena Tant (01628 824851) if you have any questions.

The **National Junior League** and **National Cadet League** are each played on four weekend dates throughout the season at Cippenham. The National Junior League is on Saturdays while the National Cadet League is on Sundays. These are under-18 and under-15 competitions respectively and again are participation events. Please ask Ken Phillips (01628 636664) about whether your standard is suitable – the chances are that it will be. There is a £12 registration fee for each league in addition to your annual membership fee but no further fees are payable when you play. Please pay the £12 in addition to your membership fee when you return the enclosed membership form. You will also need to be a Table Tennis England Player Member for which you can register via Table Tennis England's website, www.tabletennisengland.co.uk and the fee is expected to be £7.

The **Senior British League**, **Women's British League**, **Veterans' British League (men and women)** and **Junior British League** are elite competitions and the Club will invite players of the appropriate standard. In addition to your annual membership fee you will also be charged your actual individual registration fee to the league (except Junior British league) and you must have a Table Tennis England Player Licence. There will also be match fees payable of £5 (£2.50 in Junior British League) per match. You will be asked to sign a registration form and pay the registration fee by the appropriate league captain. However, you must still send your membership form to me.

If you wish to play in any of the above, you must return your form to me by **10 July**.

Table Tennis England forms will be available in July – please download from <https://www.tabletennis365.com/etta/membership>.

I look forward to receiving your completed membership form, together with your fees.

Yours in sport,

Graham Trimming,
Membership Secretary.

DEADLINE DATE IS 10 JULY 2017 – PLEASE ACT NOW!!

To recap:

Senior British League, Women's British League, Veterans' British League, Junior British League

- Send your CTTC Membership Application Form to me by 10 July
- Enclose with it your membership fee (£18; concessions £9; families £30) to me; please make cheques payable to Cippenham TTC
- Send your Table Tennis England Membership and Player Licence Application form (when available) with fee direct to Table Tennis England (there is a simple online process) – you need to purchase a Player Licence
