NEWS BULLETIN NO. 13 - 15TH MARCH 2001

It's Now a Two-Horse Race

A win apiece for Martin Adams and Wes Bush-Harris gave Cippenham Aces a valuable 3-2 win over OLOP AWCS to effectively end the latter's hopes of claiming the title. This will now almost certainly be decided between Aces and London Progress. Michael Chan maintained his good form with two wins for the team from Earley. All four singles sets in this match required a deciding game.

Cippenham Kings also had a very close match with Eddie's Lot and came away with a 3-2 win after a doubles that went to deuce in the third. Mike Rhodes and Paul Baker both won one apiece for Kings while Karl Bushell won two for the losing team.

No Change At Top

The latest round of matches in the Cippenham Super League did nothing to help sort out the top positions. Cippenham Aces and OLOP AWCS both won 5-0, although OLOP did need to play a decider in three sets. RAMS got another win after a hard-fought encounter with Eddie's Lot who has yet to taste victory.

Cippenham Super League

(sponsored by IS Networking Solutions)

NEWS BULLETIN NO. 9 - 13TH JANUARY 2001

Three-Way Tie At Top; Knaves Get First Points

The three teams battling for the championship of the Cippenham Super League are now locked in a three-way tie following the last round of matches. London Progress, Cippenham Aces and OLOP AWCS all have 29 points, though OLOP have played one match more.

London Progress came back from 2-0 down to beat RAMS 3-2, their three wins all requiring a deciding game. James Sprackling and Vidal Graham were the successful team. Meanwhile on an adjacent table OLOP were white-washing Eddie's Lot 5-0 but the scoreline does scant justice to the losers who took three of the sets to a deciding game and Maurice Isaacs led Rob Pountney by 16-8 and 20-18 in the third game.

Thomas Mitchell was the star for Cippenham Knaves who, not only secured their first points of the season, but also won a match by beating Cippenham Kings 3-2. Thomas beat both Mike Rhodes and Paul Baker two-straight while Nick Hansell was also successful against Paul.

Registrations; Players' Champs

Teams are asked to note that player registrations close on January 31st. Also note that the Players' Championship, on April 26th, is restricted to the top eight qualifiers, all of whom must have played in a least half (6) of the matches. Players will qualify by leading average or leading sets winners over the season.

Cippenham Super League

(sponsored by IS Networking Solutions)

NEWS BULLETIN NO. 8 - 27TH DECEMBER 2000

Aces High; OLOP Fail To Progress

Cippenham Aces regained the lead in the Cippenham Super League in the latest round of matches and will lead the table into the New Year. Aces gained a maximum six points from their 5-0 drubbing of Eddie's Lot. Martin Adams and Wesley Bush-Harris, two of the stars in Cippenham's team in the British League, were the players responsible.

Meanwhile the title race took another twist when previous leaders OLOP AWCS were beaten 5-0 by London Progress. OLOP gave a debut to former England international player David Barr, but even his superb and exciting defensive skills were no match on the night for the British League champions who turned out their top duo of Marco Essomba and Jason Sugrue.

As the League enters its second half, three teams are in the thick of the battle for the top honours and largest slice of the £1,050 prize money. While OLOP's chances have been dented recently, they are not out of the running. Cippenham Aces may be the half-way leaders, but British League champions London Progress remain firm favourites for the title for, with seven players registered, they have the strongest squad to pick from.

NEWS BULLETIN NO. 7 - 3RD DECEMBER 2000

OLOP Hit The Top

OLOP AWCS now lead the way after the latest round of matches in the Cippenham Super League. They are clear of Cippenham Aces only on games difference after points and sets difference have been unable to separate them. London Progress have started bringing out their big guns, i.e. Marco Essomba and Jason Sugrue, signifying their intentions of becoming the League's first champions. Will OLOP bring out David Barr for the clash with Progress on December 14th?

There have been some really close matches recently with all five sets in OLOP's 3-2 win over Eddie's lot requiring a deciding game. And look at the scores in Cippenham Aces' doubles win over Progress - 25-27, 22-20, 25-23!!!

NEWS BULLETIN NO. 6 - 19TH NOVEMBER 2000

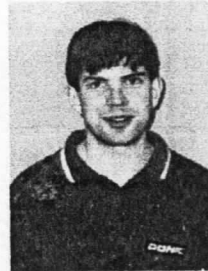

Martin and Paul Lead The Way

Martin Adams and Paul Baker both played match-winning performances for their teams in the last round of matches in the Cippenham Super League.

Martin kept his Cippenham Aces side in the hunt for the title with two tremendous wins over higher-ranked opponents as Aces beat OLOP AWCS 3-2. This match was a nail-biter between the two teams previously both boasting 100% records. Martin was taken all the way by Michael Chan and had previously eclipsed Rob Pountney in two easy games. At score 2-2 the result was decided by the doubles set. Aces won the first game 21-15, lost the second narrowly 23-21 and were first 20-17 up, then 20-21 down, before gaining the last three points for a 23-21 victory.

Paul Baker showed his best form of the season so far with good wins also over higher-ranked opponents, Karl Bushell, the number one player in Oxfordshire, and Eddie Herrity, as Cippenham Kings beat Eddie's Lot 3-2.

Jason Sugrue, ranked 19 in England, became the highest-ranked player yet to appear in the Cippenham Super League. Jason and his team-mate James Sprackling found little resistance from the juniors of Cippenham Knaves and ran out comfortable 5-0 winners.

NEWS BULLETIN NO. 5 - 5TH NOVEMBER 2000

Aces Maintain Record; Progress Falter; Kings Get First Points

Cippenham Aces kept up their unblemished record with a 5-0 win over RAMS. Aces have now won all of their first three matches 5-0 and head the table in fine style. However, their first serious test will come in the next match when they take on Reading-based OLOP AWCS who are fielding a very strong side, all ranked in England's top 100.

The match against RAMS was not as clear cut as the score would suggest. Three of the five sets required a deciding game but in the end Wesley Bush-Harris and Martin Adams won over against Ryan Keates and Steve Munson who both play for Aylesbury in the British League.

The shock of the day was a first win for Cippenham Kings over London Progress. The British League champions brought a slightly weaker side to play against Cippenham's second string but could not have expected to lose to a team that had not previously registered a point. Progress went two up through Jogenes Seniorin and Tim O'Leary before Kings staged their comeback. First, Mike Rhodes disposed of O'Leary and then Paul Baker saw off Seniorin to set up a doubles decider which the home team won in style.

NEWS BULLETIN NO. 4 - 21ST OCTOBER 2000

OLOP Signify Intentions

OLOP AWCS made a great start to their campaign with a 5-0 drubbing of Cippenham Kings and revealed their squad - David Barr (ranked 27), Michael Chan (39) and Rob Pountney (76). So that bodes the question - who are favourites for the title? Is it OLOP rather than London Progress? Or can Cippenham Aces sneak in? Can RAMS keep up their winning start?

NEWS BULLETIN NO. 3 - 7TH OCTOBER 2000

The League Gets Underway

The Cippenham Super League finally got underway on 5th October - two weeks after a power failure caused the postponement of the first round of fixtures. The matches all resulted in 5-0 as Cippenham Aces, London Progress and RAMS signalled their intentions. However, I expect OLOP to have a say in the destiny of the title come the end of the season.

Cippenham Super League

(sponsored by IS Networking Solutions)

NEWS BULLETIN NO. 2 - 28TH SEPTEMBER 2000

That Power Cut

First of all, a huge apology for last Thursday. What should have been the big opening of the Super League turned into a disaster as the gremlins got into the power supply.

The failure affected half of the school premises including our playing hall. Ironically, the lounge bar and other areas of the table tennis centre were unaffected. However, the car park has had to be dug up to in an attempt to find the fault and activities over the weekend were supported by power from a generator. A week later, the Centre is still being powered by the generator as the fault has not yet been found.

Re-arrangement of Week 1 Fixtures

It has been decided that the fixtures will continue as previously scheduled from Week 2 (October 5th). Teams are invited to re-arrange their matches from Week 1 (September 21st) at their own convenience. A table can be arranged any Tuesday or Thursday. Please phone Mike Rhodes (01753 676122) to arrange yours'.
