Cippenham Super League

(organized in conjunction with London Progress TTC)

NEWS BULLETIN NO. 10 - 24TH MARCH 2002

Progress slip up

The chase for the championship of the Super League brought another twist. Holders and favourites London Progress were beaten 3-2 by a Karl's Lot team inspired by Robert Hansell. Robert won both his singles and contributed to a doubles success. This match produced some superb table tennis with three of the five sets requiring a deciding fifth game. Progress were left to rue the absence of their unbeaten star Jason Sugrue. Earlier in the evening Progress had beaten Cippenham Knaves 4-1 while title contenders Cippenham Aces were successful by the same score against RAMS.

This was the second 3-2 win for Karl's Lot as earlier they had beaten Cippenham Kings thanks to a brace from Karl Bushell himself. Again, it was a match full of close finishes with three matches going the distance and the other two being won in four.

Cippenham Super League

(organized in conjunction with London Progress TTC)

NEWS BULLETIN NO. 8 - 24TH FEBRUARY 2002

Aces back on top

Cippenham Aces sprung back to the top of the Cippenham Super League with a 4-1 win over London Progress II in a hastily re-arranged match. The match was full of great rallies and the scoreline probably flattered Aces as they won two of the sets at deuce in the fifth. Earlier in the evening Progress had beaten Karl's Lot 5-0 with double gold medallist from the Sydney Paralympics Taju Agunbiade starring on his debut. Taju won a team gold with Nigeria and the singles men's standing category.

Postponements

After eight of the previous twelve fixtures in the League had been postponed the Organising Committee finally lost patience and declared that no further postponements would be accepted in the current season. It is hoped that the players understand the reason for this decision.

Cippenham Super League

(organized in conjunction with London Progress TTC)

NEWS BULLETIN NO. 7 - 26TH JANUARY 2002

Progress beaten - by Progress!!

London Progress first team received a set-back to their title hopes in the Cippenham Super League when beaten by their own second team. Despite Jason Sugrue retained his career unbeaten record in the League the Progress second string profited from a team effort by James Sprackling and Derek Zurowski.

However, Cippenham Aces did not make best use of this slip and only just beat Karl's Lot 3-2. Martin Adams lost his season's undefeated record to Kark Bushell who also accounted for the unfit Rob Pountney.

Cippenham Super League

(organized in conjunction with London Progress TTC)

NEWS BULLETIN NO. 6 - 2ND DECEMBER 2001

Aces and Progress Out In Front

The Cippenham Super League title race is becoming very much a two-horse battle between last year's champions London Progress and the runners-up Cippenham Aces. This season Aces lead the table but are only two points ahead of Progress who have a match in hand. Progress have yet to drop a point, having won all three matches to date 5-0. In the last series of matches they made short work of Cippenham Knaves whose only resistance came from Phil Clarkson in taking England number 12 Jason Sugrue to a fifth game.

Cippenham Aces disposed of RAMS 4-1 but Robert Pountney's form remains indifferent in the Cippenham Super League despite his recent flurry of great results in the British League. In last week's matches he lost 18-16 in the fifth after a gigantic struggle with Steve Munson but Martin Adams maintained his 100% League record to ensure Aces five of the six points at stake.

The closest match was between Karl's Lot and Cippenham Kings. Two wins for Kings from Mike Rhodes and one each for Karl's Lot from captain Karl Bushell and Robert Hansell made the match score 2-2 with the doubles to play. And what a doubles! Karl and Robert won the first two games 11-7, 12-10 but Mike and Paul Baker fought back to tie the set with two games won 11-6, 11-7. Both teams had match point in the decider before Karl and Robert triumphed 12-10 in a match full of exciting table tennis and great rallies.

Cippenham Super League

(organized in conjunction with London Progress TTC)

NEWS BULLETIN NO. 5 - 17TH NOVEMBER 2001

Progress Dominant

Both London Progress teams won their matches in the latest round in the Cippenham Super League. The first team took less than an hour to demolish Cippenham Kings 5-0, with Jason Sugrue and Eli Baraty in indomitable form as they seek to retain the championship.

Progress second string match was altogether different. Starting late, after the Progress players were delayed enroute, the match did not finish until 10:25 pm and then required the doubles for it to be decided 3-2 in favour of the west London club. No games were decided in three and the best was Ryan Keates' recovery from 0-5 down in the fifth to defeat debutant Niv Bogen to get his RAMS side back to 2-2. Stirring stuff! RAM's other victory came from Steve Munson who beat James Sprackling.

The third match was also a quick affair with Cippenham Aces maintaining their position at the top of the table with a 5-0 three-straight demolition of Cippenham Knaves. Martin Adams and Clive Payne were never in any trouble against Phil Clarkson and David Hayes.

NEWS BULLETIN NO. 4 - 4TH NOVEMBER 2001

Aces High!

Cippenham Aces went to the top of the Cippenham Super League after the latest round of matches but only after having been given a fright by the Cippenham Kings team. Both Mike Rhodes and Mark Jackson beat Robert Pountney, ranked 42 in England, but could make no such impression on Martin Adams as Aces won 3-2. There was also a good result for David Hayes, who beat Ryan Keates, but his Cippenham Knaves side were eventually beaten 4-1 by RAMS for whom Mike Levene won two.

Cippenham Super League

(organized in conjunction with London Progress TTC)

NEWS BULLETIN NO. 3 - 20TH OCTOBER 2001

Mike and Tim - Two Each

Mike Levene and Tim O'Leary both won twice for their teams in the latest round of matches in the Cippenham Super League. Mike, whose wins included coming back from 2-0 against Mike Rhodes and then clinching the third at deuce, was instrumental in his RAMS team gaining a 3-2 win after a closely-fought match against Cippenham Kings. Mike Rhodes and Mark Jackson both beat Steve Munson in this match.

Tim O'Leary scored twice for London Progress II as they brushed aside a 1-0 deficit after Phil Clarkson had beaten James Sprackling in the opening set. Progress eventually won 4-1 with James also beating cadet David Hayes.

Cippenham Kings now head the table but, as I am sure they will agree, this is likely to be short-lived with London Progress I and Cippenham Aces just one and two points behind respectively with a match in hand.
