NEWSLETTER No. 93

June 1976

GARETH IS THE NEW TREASURER

At the club Annual General Meeting last month both Peter Hillier and Graham Trimming were re-elected into their capacities as Chairman & Secretary. Derek Cook, however, had to retire from the Treasuryship and his office was taken by Gareth Griffiths. Joan Gatley kept her place on the Committee but Christine Bahryj was replaced by Roland Clapton.

The most significant changes in the rules concerned the fees. Annual subscription fees were raised to £4.00 (£2.00 for students), match fees to 25p (15p) and club night fees to 20p (students stay 10p). A subscription of 50p is now available to new members (who join after 31st March) who do not play in competitive matches for the club. The only other rule change concerned the club's tournaments. The championship and handicap tournament will be played as one next season as indeed circumstances dictated last season.

FRANK ELECTED SLOUGH CHAIRMAN

Frank Earis is the new Chairman of the Slough League, replacing Mike Wright. Doug Obee resigned as Secretary and was replaced by Peter Small and Mike Boxall combines his Treasurer's post with that of Press Officer, replacing Derek Cook in the latter capacity.

ANNUAL REPORT 1975 - 1976

Peter Hillier

The club as a whole has had a fairly good season without doing more than expected in the Maidenhead or Slough Leagues. The Brigands deserve special mention for coming runners-up in the Dilger Cup.

Individually we were well represented in the Bucks Junior teams and most of the Slough sides.

Without singling out individuals there were many good performances in the various closed tournaments. Overall several of our players showed remarkable improvement compared to the 1974/5 season.

One encouraging feature highlighted by the Club Championships was the elimination of both of last year's finalists in their first games. Disastrous for the players concerned but indicative of the general raising of standards. Special mention deserved by Martin Bartholomew who was unbeaten until the finals session and won three of the five events.

Membership dropped from 37 to 34 but the active membership remained constant.

The Treasurer should be given much more help by team captains in paying match fees promptly and giving full remittance details. Too much of the season's fees came to him in the last week or two. This necessitated in the holding back of payments for room hire which may result in us having to pay prior to each booking being accepted in future.

Problems with the screens during the season caused many home fixtures to be re-arranged. This caused a considerable extra burden on our Secretary.

SLOUGH & DISTRICT LEAGUE
