

SOUTHERN REGION LEAGUE ANNUAL GENERAL MEETING 8.7.92

From Graham Trimming (Match Secretary)

Apology

Please accept my apology for absence tonight as I have been invited elsewhere. Normally I would have felt I had to give the AGM preference but I am mindful of the fact that only three of us turned up last year. If I had given up my alternative source of entertainment for the same result, it would have been very irksome!

Match Secretary's Report

Unfortunately I have to report that I did not enjoy being Match Secretary last season. This was because of the very many requests for match postponements I had to turn down for being outside of the rules, and the attitude of those people who thought they could then ignore my ruling, and some in the Ladies' League went ahead and did so. If the idea of the SRL is to be a bit above a local league in status, it is important that the rules are kept to, and the Match Secretary requires the support of all competing teams if he is to do his job properly.

The situation was not helped by my club, Cippenham, having to rearrange home matches because of loss of venue. I feel that some sought to take advantage of this fact in their requests to me. The rules are quite clear, circumstances must be outside the control of the club if postponement is to be allowed. Wherever I could I found such justification but most requests were down to sloppy administration, which is not outside the clubs' control.

Each division of the leagues grew by one team, making seven in each, a welcome progression. Congratulations are due to the winners and runners-up in each division:

Premier Division:	Merton & OLOP "A"
First Division:	OLOP "B" & KCD (Stiga) "B"
Ladies' League:	Amity Generation & Cippenham.

There were 118 registrations accepted by the leagues. Amity Generation (two) and Kingfisher (one) have still to pay some fees.

Only two matches were not played: Amity Generation "B" conceded to Kingfisher "B" and Burnham "B" conceded to KCD (Stiga) "B". A fine for Burnham has yet to be considered by the Sub-Committee. I understand that the expense claim from KCD has not yet been met by Burnham (Burnham were also VERY late in paying registration fees this season).

There was one instance of a two player team (Cippenham "A"), one of a technically unregistered player (Amity Generation Ladies) and one of an ineligible player (Amity Generation "B").

There were two instances of teams breaking down en route to matches. In both cases the matches were rescheduled.

Re-election

I am willing to be nominated for re-election on the understanding that I will receive more co-operation from teams. I am not prepared for my rulings to be ignored in future. However, I am currently undertaking another table tennis project, which is all-consuming, and will be delighted for someone else to take over as I will certainly not have the same amount of time to give to the job.
