MATCH SECRETARY'S REPORT SEASON 1993-4

MEMBERSHIP

There have been 23 teams operating this season, 6 in the Premier Division, 5 in the First Division, 5 in the Second Division and 7 in the Ladies' League.

The main league was joined by Chalfont St. Peter CC "B" and Cippenham "C", while Amity Generation and Isle of Wight "B" did not reappear from the previous season. The Ladies' League grew by one team with the re-entry of OLOP Scottish Provident.

131 players have been registered in the leagues this season, although this figure includes 2 for Merton for whom neither a form no payment was received. Chalfont also owe £4 in registration fees. This number of registrations is a record and is bolstered by OLOP who registered a remarkable 24 players for 2 teams.

The above named players are those who have qualified for awards having played in one-third of matches for their team.

The play-off match between OLOP Scottish Provident and Isle of Wight to determine which team has a place in the Premier Division next season has been scheduled for Sunday 24th July.

PARTICIPATING CLUBS' ADMINISTRATION

The three main divisions have continued to be played on each club's premises on a home and away basis but the Ladies' League was once again organised by the participants into four sessions, except that Cippenham continue to play their ladies' home matches alongside their mens' matches for financial reasons.

The rule change introduced two years ago requiring a match to be played unless the Match Secretary has issued a Postponement Certificate continues to reduce the number of teams "trying it on", it is disappointing to note the number of matches which were unplayed this season. Thatcham were the worst culprit conceding two late season matches.

The following is a list of matches not played:

Isle of Wight (9) v. Kingfisher "B" (0) - Kingfisher sought a postponement for a clash with a local tournament. The request was refused because Kingfisher could and should have known about the tournament date prior to the final fixture list being issued.

KCD Stiga "B" (9) v. Thatcham (0) - Thatcham called off on the day of the match.

Cippenham Ladies (5) v. Ash "B" (0) - Ash called off during the week prior to the match.

Cippenham "A" (9) v. Merton (0) - Merton failed to arrive having misread the fixture list.

Snows (9) v. OLOP Scottish Provident (0) - OLOP failed to raise a team.

Thatcham (0) v. Burnham (9) - Thatcham failed to raise a team.

Isle of Wight (9) v. Thatcham (0) - Thatcham failed to raise a team.

In addition Thatcham played an (at that time) unregistered player against Burnham. OLOP Scottish Provident played an ineligible player against Cippenham "A", the player having played too many matches in the British League. OLOP Ladies played an unregistered player against Cippenham.

Cippenham "A" turned up a player short against Kingfisher "A", their eligible reserves were all playing for the club's other teams, and it clashed with Slough's "Commit to Hit" initiative.

KCD Stiga "B" failed to submit a complete scoresheet for their match against Burnham, it having been torn up and thrown away!

Isle of Wight v. Ash "B" was brought forward and played on the wrong date without the prior knowledge of the Match Secretary. In compensation Aldershot "B" v. Isle of Wight was delayed until the last session, again without authorization from the Match Secretary.

The Committee has not yet considered what fines, if any, might be imposed on the clubs at fault.

LEAGUE ADMINISTRATION

I have tried once again to take a tough line on teams which try to bend the rules, believing that most clubs wish the regional league to be administered in a fashion which is more "professional" than most local leagues.

Results bulletins have been issued at regular intervals and I hope these have been informative enough for members.

After six years I have decided that I have been doing "one job too many" in table tennis and regretfully reached the conclusion that I needed to step down as SRL Match Secretary. One of the main considerations was to allow me more time to concentrate on my club's building project which is now reaching its most crucial stage of development.

Graham Trimming,
20th July 1994.
