

CIPPERHAM TABLE TENNIS CLUB

ANNUAL REPORT 1977-1978

Introduction

The 1977-1978 season can safely be called the best yet in the five year history of Cipperham Table Tennis Club, and the various achievements are set out in detail below.

The current membership is thirty-four, many of them new faces and to them we extend a warm welcome, especially the youngsters who formed the backbone of our lower teams.

Performance in the Leagues

Our performance in the Slough league last season can only be called remarkable. The club's most immediate ambition was fulfilled, namely, the winning of the Slough league Division One title, for which our congratulations and thanks go to Garth Tyler, Steve Brown, Adrian Seal and Peter Brown.

The Outlaws side ensured that we swept the major honours by being runners-up in Division One while our strength at the top was emphasised by the Pirates side finishing fifth. Frank Earis, Peter Hillier and Graham Trimming were the successful Outlaws team while Larry Gregory was the star for Pirates.

Our Third Division side, the London, won their division in a closely fought battle with McMichael Lions, while the Buccaneers missed the hat-trick of the three top divisions by coming runners-up on sets aggregate in Division Two. Charles Passmore topped the Division Two averages while Hugh Murray did likewise in Division Three.

The Rascals did fairly well in Division Four, but our seventh team, the Brigands hope to improve next season.

Cipperham O.C., in the form of Graham Trimming and Roland Clatton, also won the Summer League for the second consecutive year.

Only one team was fielded in the Maidenhead League this year and they did enough to escape relegation from Division One.

Our success in cup competitions continues, the club reaching the final of the Dilger Cup for the fourth consecutive year but the Pirates team were not able to retain the cup for the club.

Club Championships

Graham Trimming won his first singles championship although the competition was not as strong as would have been liked, due to the absence of many of our better players. The one-day event did not prove very popular.

Graham also won the doubles in partnership with Peter Hillier while Steve Kelly took the Junior Singles, Ken Phillips the Handicap Singles, and Lesley Crofts and Lawrence Hammond the Handicap Doubles.

Representative Honours

Cipperham were very well represented in the Slough Inter-League teams, Frank Earis being captain of Slough 'A' and Graham Trimming captain of Slough 'B'. Larry Gregory, Peter Hillier, Garth Tyler, Steve Brown, Mike Wright and Furg Furg also represented Slough while Steve Brown also played for Buckinghamshire Juniors.

Tournaments

A Cipperham player won the Mens Singles title at the Slough Closed for the first time - our congratulations to Frank Earis, and also to Garth Tyler, the runner-up.

Frank also won the Mens Doubles titles and was runner-up in the Mixed Doubles events in both the Slough Closed and Bucks Closed.

Steve Kelly was the other winner at the Slough Closed with the Division Four Singles.

Committee

The committee this year was Peter Hillier (Chairman), Graham Trimming (Secretary), Dave Lee (Treasurer), Joan Catley and Linda Smith. A lot of work was done but only two meetings held.

Coaching

A weekly coaching class for juniors was run between last April and November and thirty-two different children attended the 27 sessions. After the season started there was a lack of volunteer coaches and so the scheme was allowed to die but the better players have played in our teams this season.

T. T. C. Drive

We entertained T.T.C. Drive from Oostende on a Sunday afternoon in November and won the match 11-5 to avenge a defeat by the club (then T.T.C. Smash) in Belgium three years ago. A return trip to Oostende this summer is possible.

The Future

I am sure you will all agree that the club is progressing well and we can all look forward to a very bright future. Perhaps we can again increase the number of teams competing in the Slough League next season.
