THE OFFICIAL NEWSLETTER OF CIPPENHAM TABLE TENNIS CLUB

March 1996

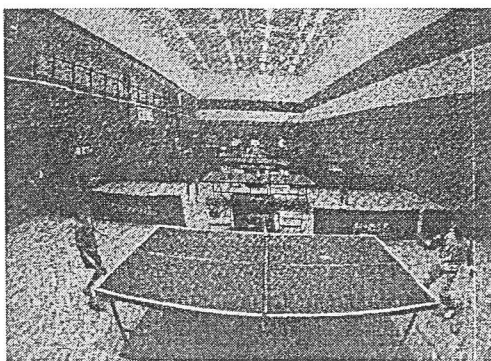

*You're about to play in the leading table tennis playing and social facilities in the country*

## WELCOME TO THE NEW CIPPENHAM TABLE TENNIS CENTRE!

If you think of the very best sports complex that you have ever been to, the welcoming reception, the colourful noticeboards, the spacious changing areas, the excellent playing conditions, spectator seating areas, vending machines, the social bar, those memorable matches, that friendly atmosphere, then you're starting to picture our new purpose built table tennis facilities.

As an existing or future member of the club, you will have joined one of the leading table tennis clubs in England. Over the next few years more than 250 people, from all walks of life and all levels of ability will become members and enjoy some remarkable table tennis experiences. Each week members will be able to take advantage of:

**Coaching**, the fastest and most enjoyable way to learn the basics of the sport or to improve your standard, giving you an important edge in matches. The ideal way to keep up to date with the latest tactics, strokes, mental skills and training methods. All provided by experienced and qualified

ETTA coaches. Take part in group sessions or receive personal coaching on a one to one basis.

**Practice Tables**, giving you an opportunity to practice every day of the week, so that you can maintain or improve your table tennis ability. You'll also be able to arrange sessions with scores of other table tennis players and, you know what they say, practice makes perfect.

**Individual Competitions**, enabling you to play in weekly individual club competitions, run in a grand prix style, through to weekend

tournaments open to all players.

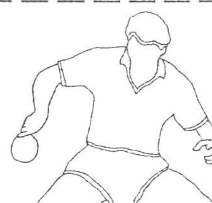

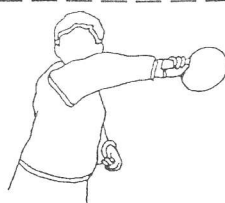

**League Competition**, ranging from the local league through to the British League, providing you with continuous challenges and opportunities to progress throughout the winter and summer. If you already play in the Slough League, you could join the club just to enjoy competing against different players in another league!

**Social Events**, where you can just have a great time in the bar with all your friends at the club.

**And that's not all:** Cippenham, the largest club in East Berkshire and South Buckinghamshire, will continue to develop innovative and stimulating programmes to meet the needs of all our members. For instance, star player challenges, coach education courses, member/guest evenings, school holiday programmes, how to improve your game nights, exhibitions, video clinics and workshops on different aspects of table tennis are all ideas we're planning right now! Get involved - be part of it.

**Welcome!**
