THIS SHEET IS TO BE RETAINED BY THE ENTRANT - REGULATIONS

1. Every entrant must be affiliated as a Complete Plus Member or provide proof of being a member of another National Association affiliated to the ITTF, and is not affiliated to TTE. An entrant only affiliated as a Complete Member may enter the tournament upon payment of the appropriate Single Competition Licence fee with their entry form.
2. TTE Regulations Part A (Regulated Competitions) and Part B (Tournament Regulations) apply to this tournament.
3. ITTF Regulations for International Competitions apply to this tournament except where otherwise specified in TTE Regulations Parts A or B, or in this form.
4. Players may be expected to umpire group matches. All knockout matches will be umpired by a qualified umpire.
5. Play throughout for all events will be on a knockout basis except for the first round of each singles event, which will be on a group basis. In a group or "round robin" competition each member of the group shall compete against every other member. Two match points will be awarded for a win, one for a loss in a played match, and zero for an un-played or uncompleted match. The ranking order shall be decided primarily by the number of match points gained. If at the completion of the group two or more members of the group have gained the same number of match points the equality shall be resolved as per ITTF Regulation 3.7.5.
6. All matches will be the best of five games; each game will be up to eleven points.
7. Competitors in Junior Events must have been born after 31st December 2004. Competitors in Cadet Events must have been born after 31st December 2008.
8. Rackets will conform to ITTF Regulation 3.2.1.3.

10. At the discretion of the Referee competitors will be permitted to practice on match tables not in use. NO CROSS KNOCKING. Dedicated practice tables will not be available.
11. No competitor or official shall engage in betting on players or matches.
12. The preliminary round of all events will be played in groups of 3 or 4 players (subject to late withdrawals from competitors), following which the players finishing first and second will qualify for the championship knockout events and the player finishing third or fourth will qualify for the consolation events. In the event of several non-arrivals resulting in incomplete groups the Referee reserves the right to disband the highest numbered incomplete group and to redistribute the players present in that group among other incomplete groups to fill any vacancies.
13. Decisions on points of fact by an Umpire or Assistant Umpire appointed by the Referee shall be final. The Referee's decision shall be final on points of law, in any dispute as to the interpretation of these Regulations and in any matter not covered by them.
14. Entrants who do not attend the tournament without a reason acceptable to the Referee may be reported to the Table Tennis England.
15. Doping shall not take place either before or during play. Doping control tests may take place

18. All players are requested to wear a shirt with their name prominently displayed on their back, which must be worn at all times when a competitor is participating in any event.
19. An Assistant Umpire will be appointed for finals only at the Referee's discretion.
20. Scoring machines will be used for all matches.
21. Notification will be sent after the draw has been made, notifying competitors of the first match time for each event they have entered, if they have provided a valid **email address**
22. Trophies will be given to winners and runners-up of both main and consolation events.
23. The organising committee reserves the right to refuse any entry.
24. All entries and event details are subject to COVID-related restrictions, or protocols that Table Tennis England may deem necessary. Venues used for events may impose COVID restrictions that go beyond government guidance.
